

# Get Involved

## COMMUNITY WATCH PROGRAM STARTING HERE!

### Residents of the Town of Whitsett.....

**In order to help keep control of crime in your community the Guilford County Sheriff's Office is looking for your help!** We are starting a Community Watch Program in the Town of Whitsett. The Community Watch is the community coming together. They watch out for each other and assist law enforcement in fighting crime.

Guilford County Sheriff's Deputies do their best everyday but fighting crime is most effective when the community gets involved. Law enforcement cannot be in your neighborhood around the clock, but you are. With each neighbor looking out for one another, keeping a watchful eye out for suspicious persons, vehicles, or activities and passing this information on to local law enforcement, this will enable local law enforcement to be more efficient. We all need to be involved and you will be a part of helping make your community a safer place.

**Corporal J.C. Fuller will be holding a meeting on Tuesday, May 12, 2009, at the Town Hall of Whitsett located at 811 NC 61, Whitsett NC, 27377. The meeting time is at 7:00 p.m.**

The only cost will be that of your time. Your attendance at the meeting would enable him to teach you how to begin your community watch and reducing crime in your neighborhood. Information will be provided on Crime Statistics, Email ALERT Program, Reverse 911 and Emergency 911 Operations.

Time to get involved! Thank you for your time, and I look forward to seeing you at the meeting.
