

Residents should soon be receiving (if they haven't already) a postcard notice about a change in regular garbage service. Starting Tuesday, February 6, regular household garbage pickup will switch temporarily to Tuesdays; recycling service will remain the same on every other Monday. Could you please post this notice on the website...we would appreciate it!

Republic Services will advise when, or if, the pickup goes back to every Monday; but, for now it will be every Tuesday...thank you!
