RULES AND REGULATIONS FOR SOLID WASTE AND RECYCLING ROLL-OUT CARTS

To help us serve you better:

- Place roll-out carts within 4 feet of the curb with the opening of the lid facing the roadway and the wheels nearest your house.
- Make sure there is at least 4 feet clearance from any other object, such as other roll-out carts, mailboxes, trees, vehicles, etc.
- Place your containers at the curb by 6:00 a.m. Monday or the night before.
- Only items inside carts will be collected by the automated truck.
- Do not overfill carts; the lid must close.
- Do not pack items too tightly in carts.
- Do not alter carts in any way.

If your cart becomes damaged, please report to customer service at (336) 299-0815.
